FOR SALE — THOUGHTFUL PERSONS IN buying a home will take into account the surroundings and probabilities of enhancement of value; convenience to good improvements is a leading consideration; also rapid transit to and from the business part of the city; the quality of the houses in the neighborhood goes for a good deal; as to build or buy a handsome stone or brick residence and have inferior houses go up afterward on adjoining lots detracts from the value of the first; to buy on a nearly paved street, with sewers, gas and water already laid, is important; one then knows what the whole cost is, and has not to worry about the cost of future grading and paving. All these items and many more are covered at the handsome new dwellings on Oakiand Square (formerly Linden Grove), which need only be seen to be appreciated. The price is \$4,500 and standing apart, on lots \$20,100, and fitted with aff the modern conveniences. All the houses front on aspinaltum streets, and upon a handsome park planted with shade trees; old forest trees plentifully shade the noighborhood. The cable cars are new but six minutes' distant, and will be brought still nearer. These houses are rapidly selling, heing pronounced bargains at present prices. Apply to SAMUEL W.
